## INTRODUCTION

Jardena London is a dynamic, inspirational speaker who mixes warmth and humor with practical tips. As an expert in Organizational Agility and Transformational Leadership for over 30 years, she connects with people's on-ground reality. Audiences feel empowered and inspired to see new possibilities and enact immediate, impactful changes.

“

*Jardena is an absolute inspiration - her knowledge and storytelling resonated so well with the audience and the warmth in her delivery was recognized. Jardena will always be at the front of the list for any future conferences we organize.*
